✨ What Makes It Special

1. Automatic Detection

No need to tell it there’s a challenge - it just knows!

2. Smart Positioning

Always in the bottom-right corner, never blocking content

3. Clear Feedback

Every action has visual confirmation

4. Error Recovery

If something fails, it tells you and lets you retry

5. Professional Design

Matches your brand colors and style

6. Mobile Optimized

Works perfectly on phones and tablets

🎯 Expected Behavior

✅ **Button appears** when challenge keywords are detected
✅ **Button hides** when no challenge is visible
✅ **Email sends** within 2-3 seconds of clicking
✅ **Success shows** with checkmark and green color
✅ **Email arrives** within 5 seconds
✅ **Button resets** after 3 seconds
